DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven Dicke on April 24, 2008.

The application has been amended as follows:

IN THE SPECIFICATION:

Please remove the first sentence of the abstract:

~~A network-usage analysis system and method having a dynamic statistical data distribution system and method is disclosed herein.~~

REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance: The prior art fails to teach nor render obvious each and every limitation of the claimed invention. Specifically, the prior art does not show details about analyzing a stream of data by creating data bins with exponentially increasing sizes and indexing the bins using a set of keys determined from a function of a logarithm of data determining a set of exponentially increasing intervals to define the data bins and determining the set of keys by defining a resolution factor as a number of data bins desired per power of the chosen logarithm base, and using the resolution factor to determine the set of exponentially increasing intervals. Additionally the prior art does not disclose computing a bin key associated with the data value and defining an array index having an array of index values wherein each array index value is associated with a data bin and determining the data bin associated with the data value using the array index and bin key or defining the array structure as a tree array structure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
